

The screenshot displays a patent database search interface. At the top, there is a menu bar with options: File, View, Edit, Tools, Window, Help. Below the menu bar, there are several buttons: Search, Refine, Sort, and Print. The main search results are listed in a table with columns: #, Title, Inventor, Document#, Issue, P, Title, Current, Current, XN, Retrieval, S, C, F, P, J, R, I, Image, Doc, P. The table contains 10 rows of patent entries, each with a checkbox in the first column. The entries are as follows:
